MEMORANDUM FOR: LCD/OCR

SUBJECT : Release of Certain Classified Publications to
Special Operations Research Office (SORO)
American University

REFERENCE : ACSI-ICD Memo to DCI dated 22 September 1959; same
subject

1. We have no objection to the release by Army to SORO, American University of the CIA Intelligence Publications Index (IPI) and the USIB/CODIB Union List of Intelligence Serial Publications provided the applicable provisions of Executive Order 10501, departmental security regulations and DCID 11/2 are observed.

2. It should be pointed out to the Army that the IPI contains references to intelligence publications of several agencies including CIA and that the release of any item referenced therein would have to be individually considered on its own merits by the project control officer and if required by the originator.
